Shows

1950s Rediscovered

SixFeetUp takes you on an engaging journey through a decade of music that never grows old. We use stories, humor and, of course, music to revisit the events, personalities and culture of the decade.

Super 60s

Our show features the big name groups and solo artists that shaped the 60s generation. They say “if you can remember the 60s you weren’t really there”, **SixFeetUp** will bring it all back.

Top of the Charts

This show transports audiences back to the roots of American music and takes them through the eras of big band and rock ‘n’ roll right up to the great sounds of the 70s and 80s.

Music of Heroes

SixFeetUp presents the patriotic as well as the pop music associated with our military history – stretching from the Civil War to the present. Audiences discover how music has become associated with each conflict and how movies and TV have given us new ‘war’ music that touches our hearts.

Jack, Delilah and Friends

We mix together some great music, a love story about two-star crossed lovers, parodies of popular songs tailored to the senior lifestyle, some TV theme trivia and much more. The show is fast-paced and fun.

A SixFeetUp Christmas

A **SixFeetUp Christmas** is a 90-minute tribute to our favorite season where traditional, classical, jazz, rock and roll and blues music hit the stage - even Elvis shows up to welcome the man in red.

Dances

Dances cover everything from early 50s, the best of 60s, Motown, line dances, favorite 70s pop hits and even a little bit of country. If you like to dance, you are going to love **SixFeetUp**.

Theme Night Dances

SixFeetUp can customize our dances to help you celebrate special events such as:

1950s Sock Hop 60s Rock Night USO Show Mardi Gras Christmas Canada Days
St. Patrick's Day Valentine's Day Beach Party Anniversary Disco Big Band Night

Combination - Show and Dance

We provide a one-hour version of one of our shows followed by a one-hour dance. The show component gets the fun started with good music, stories and humor. The second hour is all about dancing. For the non-dancers in the crowd, they can simply sit back and enjoy the music.
